RE: Legal Opinion Regarding "Form And Correctness" May Be Used Interchangeably With
"Form And Legal Sufficiency"

Date: December 17, 2014

I just wanted to provide you with my opinion pursuant to section 2-201(e)(1) and (8) of the City Code that the phrase "form and correctness" is equivalent to and may be used interchangeably with "form and legal sufficiency." I have reviewed the matter, and the term correctness refers to legal correctness, which is equivalent to legal sufficiency. I noticed that the phrases are used interchangeably (and found one draft agreement where, on the same document, the City Attorney of Miami was asked to sign for "Legal Form and Correctness" and the School Board Attorney for "Form and Legal Sufficiency"): <http://egov.ci.miami.fl.us/Legistarweb/Attachments/71918.pdf>
