42 **Designated exterior** means all outside surfaces of any improvement listed in a designation report as
43 having significant value to the historic character of the building, structure or district. (Art. 31)
44
45 **Designation report** means a document prepared by the Historic Preservation Officer for all properties or
46 districts which are proposed for local historic designation. The designation report includes the boundaries
47 of the proposed historic property or district, a summary of its historic significance, and contains location
48 maps and a review guide which describes the physical characteristics of the property or district. (Art. 31)
49
50 **Development** means (1) the subdivision of a parcel of land; (2) the construction, reconstruction,
51 conversion, structural alteration, relocation, enlargement, or demolition of a structure; (3) the mining,
52 excavation, landfill, drilling, grading, deposition of refuse, solid or liquid waste, or fill on a parcel of land; (4)
53 the alteration of the shore or bank of a pond, lake, river, or other waterway; or (5) any use or change in the
54 use or intensity of use of any structure or use of land and includes redevelopment.
55

1 **Development approval** means any approval, permit or other official action of the City granting, denying, or
2 granting with conditions an application for development approval. (see Article 3)
3
4 **Development Review Official(s)** (DRO) means the person(s) responsible for the overall coordination of
5 the administration of these regulations. Specifically, the DRO is responsible for receiving applications for
6 development review and approval, determining whether they are complete, coordinating the review and
7 issuing permits where authorized. If it is determined appropriate by the City Manager, more than one (1)
8 Development Review Official may be appointed for implementation of the requirements of the Zoning Code.
9 (Article 2, Section 2-706)
10

13 signs, buildings, parking lots, garages, carports, flagpoles, stoops and utility buildings (Note: All buildings
14 are structures, but, not all structures are buildings).
15

16 **Substantially similar application** means an application where:

17 A. Development density and intensity have not materially changed from the former application, in that:

- 18 1. The number of buildings is within ten percent (10%) of the previous number of buildings;
- 19 2. The number of stories is the same;
- 20 3. The height of the building(s) is within ten percent (10%) of the previous number of buildings;
- 21 4. The number of units is within ten percent (10%) of the previous number of units;
- 22 5. The lot coverage and floor area ratio are within ten percent (10%) of the previous lot coverage or
23 floor area ratio; and

24 B. Design has not materially changed, in that:

- 25 1. The roadway patterns, including ingress-egress points, are in the same general location as shown
26 on the former application;
- 27 2. Parking areas are in the same general location and configuration;
- 28 3. The building setbacks are the same as the former application or different by a distance that is less
29 than fifteen percent (15%) of the applicable setback requirement;
- 30 4. Elevations and renderings of buildings have substantially similar architectural expressions as those
31 shown on the approved plans;

32 C. Proposed sign(s) are no greater in size and are placed in the same general location on the site as set
33 out in the former application.
34

35 **Subdivider** means any individual, firm, association, syndicate, co-partnership, corporation, trust or any

11 **Urban open space** means an area which is open from the land to the sky predominantly improved with
12 and paved with bricks, pavers or other similar material (not including concrete or asphalt) for pedestrian
13 use or an area where no structures or buildings other than landscape features, fountains, benches, arcades
14 and objects of art are located. (Ord. No. 0-2004-25)
15

16 **Usable open space** means outdoor areas, except parking and other service areas, which are usable for
17 outdoor living, recreation or landscaping, and which is open and unobstructed from the lowest level to the
18 sky except for roof overhangs not in excess of two and one-half (2½) feet, pedestrian walks and ingress
19 and egress drives. All open space shall be accessible to, and usable by, all residents residing in the
20 building. (Sec. 2-132)
21

22 **Utilities/infrastructure facility** means electric, gas, or stormwater management facilities, water or
23 wastewater pumping station, telephone repeater station or similar structure used as an intermediary
24 switching, boosting, distribution or transfer station or lines for electricity, cable television, or telephone
25 services between the point of generation and the end user, but not including satellite dish antennas,
26 facilities for the handling of solid waste, or radio, television, or relay towers.
27

28 **Utility lines or service facilities** means the distribution system for utilities and includes, but is not limited
29 to cables, conduits, pipes, wires, and conductors.
30

31 **Utility substation** means a part of a utility distribution system where electrical current is converted for use
32 by structures through the use of transformers.
33
