(b) The University shall pay all reasonable and customary closing costs and expenses associated with the Fire Station re-conveyance transaction. The closing shall occur no later than December 31, 2010, unless extended by the mutual agreement of the parties.

(c) The City shall deliver the property at closing free of all City or other personal property that may be located thereon.

(d) Upon the re-conveyance, the parties agree that the Fire Station Site will be included as part of the UM Campus, as defined in this Agreement, and, subject to the terms of this Agreement, and any applicable City regulations, the Fire Station Site may be developed and used by the University in accordance with the applicable regulations.

23. Encroachments.

The City and the University agree to undertake a study of all University improvements on the UM Campus to determine whether any of the University's improvements and or buildings encroach on City property including rights of way. The study shall be prepared by the University and submitted to the City for review and acceptance. The City and the University agree that in the event the study identifies any encroachments, the University shall have the option of removing or not removing any such encroachments, provided that for any encroachment which the University determines not to remove, the City agrees to grant and the University agrees to accept, an easement of use to maintain such existing improvements which encroach on City property including rights of way. The University agrees that it will indemnify, defend and hold the City harmless from and against any and all loss, expense damage and liability resulting from the claims arising out of or resulting from the encroachments as provided for in this Paragraph. The City and the University agree that upon completion of the study and the grant of easements of use, the University shall prepare a sketch of the University Campus updated to reflect all existing easements encroachments, or any encumbrances identified pursuant to this Paragraph. The City and the University agree that the sketch of the University Campus shall be completed on or before the second anniversary of the Effective Date of this Agreement.

24. Use of Name, Logo, Trademark

The parties each agree to seek from the other the prior written approval of all advertising and/or marketing materials whether intended for print or electronic distribution which contains the name, logo, trademark, likeness or other similar identifier when promoting any of the events identified in this Agreement. The approval required by this paragraph for the City and the University shall be given promptly by the designated representative of each party and shall not be unreasonably withheld.

25. Consideration and Mitigation.

The City and the University agree that:

(a) In consideration for the terms and conditions of this agreement, the University shall make annual payments to the City pursuant to the payment schedule attached as Exhibit "K" commencing on December 1, 2010. Provided that the City has satisfied the approval obligations of subparagraphs (i), (ii) and (vii) and the City fails to complete any of the approval obligations set out in this subparagraph on or before December 1, 2010, the first annual payment shall be paid to an agreed upon escrow agent paid by the University to be held in an escrow account for the benefit of the City, which escrow, plus any interest earned, shall be released to the City upon the completion of the last of the following approval obligations:

- i. final action approving the Zoning Code amendments attached as Exhibit "D";
- ii. final action approving the Comprehensive Plan amendments attached as Exhibit "C";
- iii. final action approving the sale of alcohol at the Bank United Center and approval of an increase in the maximum permitted number of seats in accordance with the provision Paragraph 17;
- iv. final action vacating the internal roads in accordance with Exhibit "G" attached hereto, provided however, that in the event that the University fails to submit an application, together with a survey of the roads to be vacated on or before September 15, 2010, the vacation of the roads shall not be an approval obligation;
- v. final action conveying the Fire Station Property to the University in accordance with Exhibit "J";

- vi. final action conveying the internal waterways to the University in accordance with Exhibit "H"; and
- vii. final action granting a development order amending the campus Master Plan to authorize and approve the Health Center as a permitted use within the University Multi-use Area.

In all succeeding years, the annual payments shall be due on December 1 of each year.

(b) The payments in consideration for the conveyance of internal streets and waterways provided for in Paragraph 21 and the re-conveyance of the Fire Property in Paragraph 22 and as mitigation for the uses and intensities of use authorized in Paragraph 14, which payments are in addition to the University's obligations under UMCAD 2006, Ordinance 2007-16. The University agrees that the payments provided for in this Paragraph do not entitle the University to a credit of any kind against the obligations of UMCAD 2006, Ordinance 2007-16 or against conditions of approval for any future modifications, changes or amendments to the Campus Master Plan.

(c) The Campus Master Plan as amended by UMCAD 2006, Ordinance 2007-16 (and by this Agreement) shall remain in full force and effect and shall be deemed for all purposes to be the approved and adopted Campus Master Plan ("Campus Master Plan") if and when the City adopts the University Campus zoning district ("Zoning District Code") in accordance with the draft attached hereto as Exhibit D. Future Regional Traffic Studies shall be conducted pursuant to the methodology developed for the 2007 Regional Traffic Study and Concurrency which is attached hereto as Exhibit "L".

(d) All rights, obligations, conditions of approval and mitigation obligations imposed in connection with the adoption of Ordinance 2007-16 shall remain in full force and effect unless modified by future City action, or performed (or satisfied) by the University.

(e) If and when the City adopts the University Campus District in accordance with the form of the draft attached hereto as Exhibit D, changes and amendments to the Campus Master Plan shall be governed by the UCD Zoning District.

(f) If and when a change or amendment to the Campus Master Plan is approved at the request of the University, the City may impose reasonable conditions of approval to mitigate the net new traffic impacts caused by the change or amendment at the time of issuance of a building permit.

(g) The University agrees to reimburse the City for the reasonable cost of any professional consultants, including planners, economists, engineers, public safety/security experts and attorneys required by the City with regard to any request, application, report or other submission by the University in the

implementation of this Agreement and all actions related thereto, including any amendments to the Campus Master Plan or this Agreement; and in the defense of any challenge by a party other than the University to this Agreement or any City action taken pursuant to this Agreement. The City agrees that it will comply with its procurement code and regulations. Furthermore, the City agrees to require a Favored Nations Clause from such consultants to the effect that prices charged the City shall not exceed the prices charged to other clients for the same or substantially similar and comparable items or services under similar circumstances and conditions. The City agrees to give the University prompt notice that the City has engaged a professional consultant other than an attorney. In addition, the City agrees to require that all consultants provide the City with monthly bills, which the City agrees to review and approve and to promptly forward to the University. The City agrees, prior to authorizing any legal services to be reimbursed pursuant to this subparagraph, to provide the University with a budget for such services for review and approval, which approval shall not be unreasonably withheld. In the event the scope or cost of the required legal services is to be modified, the City agrees to submit a revised budget to the University. The University and the City agree that the provisions of this subparagraph shall not serve to prevent the continued reimbursement of the City's present consultants through and until December 1, 2010.

26. Impact Fees, Special Assessments and Other Municipal Fees.

Nothing in this Agreement shall relieve the University from the obligation to pay any impact fees, special assessments, building permit fees, user fees or other municipal fees, charges or taxes which are generally applicable to any other development, property and/or use in the City. The City expressly recognizes the rights of the University, like any other property owner, to challenge the adoption of a new impact fee or the application of an existing fee to it, or to otherwise seek relief from said fee or assessment in accordance with law. The University acknowledges the right of the City to challenge any tax exemption for improvements in the University Multi-Use Area.

27. Failure of the University to Timely Submit an Application or Information

In the event that any City obligation requires the University to submit an application or information, the failure of the University to timely submit any required application, request or information shall toll the date of the City's performance until [sixty (60) days] after receipt of such application or information.

28. Conflicts and Amendment of Prior Ordinances and Agreements

(a) In the event of conflicts between the terms of this Agreement, a previously imposed condition of development approval, and/or the City's Zoning Code, the provisions of this Agreement shall control.

(b) With respect to the development approvals sought herein, with the adoption of an Ordinance approving this Agreement, the following Ordinances and Resolutions are hereby amended according to the provisions of this Agreement:

- (i) Ordinance No. 2964 through UMCAD approvals Ordinance No. 2007-16;
- (ii) Resolution No. 2003-7; and

- (iv) Declaration of Covenants recorded on October 3, 2007, at OR Book 25968 Pages 4593-4609.

(c) Nothing in this Agreement shall be construed to abrogate or otherwise affect any existing agreements between the City and the University or to limit in any way the application of any existing regulations of the City to the University unless such agreements or regulations are expressly modified or pre-empted by the provisions of this Agreement.

29. Existing UMCAD Obligations.

Except as expressly set forth in this Agreement, nothing in this Agreement shall abrogate or otherwise eliminate any approval previously granted or any obligation previously imposed on the development and use of the UM Campus under the existing UMCAD zoning, unless expressly provided for in this Agreement or approved after a duly noticed public hearing by the City Commission of the City of Coral Gables pursuant to the provisions of the City's Zoning Code and the requirements of the Florida Statutes.

30. Amendments.

This Agreement may be amended by the mutual consent of the City and University, subject to compliance with the procedural requirements for the initial approval of this Agreement pursuant to the Florida Local Government Development Agreement Act, section 163.3220-163.3243, Fla. Stat. (2009) ("Act") and pursuant to the provisions of Division 19 of the Zoning Code of the City of Coral Gables, or any subsequent laws or ordinances

31. Applicable Laws and Construction.

The laws of the State of Florida shall govern the validity, performance and enforcement of this Agreement. This Agreement has been negotiated by the City and the University, and the Agreement, including, without limitation, the Exhibits, shall not be deemed to have been prepared by the City or the University, but by all equally.

32. Venue and Jurisdiction.

(a) For purposes of any suit, action, or other proceeding arising out of or relating to this Agreement, the Parties hereto do acknowledge, consent, and agree that venue therefore is Miami-Dade County, Florida.

(b) Any civil action or legal proceeding arising out of or relating to this Agreement shall be brought in the 11th Judicial Circuit in and for Miami-Dade County, Florida. Each party irrevocably consents to the personal jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court.

33. Estoppel Certificates.

The University and the City shall at any time and from time to time, upon not less than thirty (30) days prior notice by another party hereto, execute, acknowledge and deliver to the other party, a statement in recordable form certifying that this Agreement has not been modified and is in full force and effect (or if there have been modifications that the said Agreement as modified is in full force and effect and setting forth a notation or a full copy of such modifications), and that to the knowledge of such party, neither it nor any other party is then in default hereof (or if another party is then in default hereof, stating the nature and details of such default), it being intended that any such statement delivered pursuant to this paragraph may be relied upon by any prospective purchaser, mortgagee, successor, assignee of any mortgage or assignee of the respective interest in University Property, if any, of any party to this Agreement.

34. Complete Agreement; Amendments.

(a) This Agreement, and all the terms and provisions contained herein, including without limitation the Exhibits hereto, constitute the full and complete agreement between the Parties hereto to the date hereof with respect to

the matters expressly set forth herein, and supersedes and controls any and all prior agreements, understandings, representations, correspondence and statements, whether written or oral. The rule of contract interpretation known as *expressio unius est exclusio alterius* shall not be applied when interpreting this Agreement to address matters not expressly identified within this Agreement.

(b) Any provision of this Agreement shall be read and applied in *pari materia* with all other provisions hereof.

(c) This Agreement cannot be changed or revised except by written amendment signed by both Parties hereto or otherwise permitted herein.

35. Captions.

The article and section headings and captions of this Agreement and the table of contents preceding this Agreement are for convenience and reference only and in no way define, limit, describe the scope or intent of this Agreement or any part thereof, or in any way affect this Agreement or construe any article, section, subsection, paragraph or provision hereof.

36. Holidays.

It is hereby agreed and declared that whenever a notice or performance under the terms of this Agreement is to be made or given on a Saturday or Sunday or on a legal holiday observed by the City, it shall be postponed to the next following business day.

37. Exhibits.

Each Exhibit referred to and attached to this Agreement is an essential part of this Agreement. The Exhibits and any amendments or revisions thereto, even if not physically attached hereto, shall be treated as if they are part of this Agreement and incorporated herein.

38. Public Purpose.

The University and the City acknowledge and agree that this Agreement satisfies, fulfills and is pursuant to and for a public and municipal purpose and is in the public interest, and is a proper exercise of the City's power and authority.

39. No General Obligation.

In no event shall any obligation of the City under this Agreement be or constitute a general obligation or indebtedness of the City, a pledge of the ad valorem taxing power of the City, the lending of credit, or a general obligation or indebtedness of the City within the meaning of the Constitution of the State of Florida or any other applicable laws.

40. Approvals Not Unreasonably Withheld.

The University and the City represent that it is their respective intent as of the Effective Date and do covenant and agree in the future that all approvals, consents, and reviews will be undertaken and completed as expeditiously as possible, in good faith, and will not be arbitrarily or unreasonably withheld, unless otherwise expressly authorized by the terms of this Agreement. This paragraph relates solely to the legislative, ministerial or administrative approvals or actions of the City and does not relate to any quasi-judicial approval or action.

41. Preservation of Rights.

The University and the City further acknowledge and agree that certain provisions of this Agreement will require the City and/or its boards, departments or agencies, acting in their government capacities, to consider governmental action as set forth herein. The University and the City acknowledge and agree that all such actions undertaken by the City shall be undertaken in strict accordance with established requirements of the general laws of the State of Florida and City ordinances or regulations. Nothing in this Agreement or in the University's and the City's acts or omissions in connection herewith shall be deemed in any manner to waive, limit, impair, or otherwise affect the authority of the City in the discharge of its police or governmental power expressly including the land use and zoning power.

42. Technical Amendments; Survey Corrections.

In the event that due to minor inaccuracies contained herein or any Exhibit attached hereto or any other agreement contemplated hereby, or due to changes resulting from technical matters arising during the term of this Agreement, the University and the City agree that amendments to this Agreement required due to such inaccuracies, unforeseen events or circumstances which do not change the substance of this Agreement may be made and incorporated herein. The City Manager is authorized to approve such technical amendments on behalf of the City, and is authorized to execute any required instruments, to make and

incorporate such amendment to this Agreement or any Exhibit attached hereto or any other agreement contemplated hereby.

44. Default and Enforcement.

(a) **Default.** The occurrence of any of the following shall constitute an event of default ("Event of Default") under this Agreement.

(i) University Monetary Obligation. The University's failure to pay any amount due on the date required under this Agreement ("Event of Monetary Default").

(ii) University Non-Monetary Compliance Obligation. The University's failure to comply with a non-monetary obligation pursuant to this Agreement ("Event of Non-Monetary Compliance").

(iii) City Approval Obligation.

a. The City's failure to take final action approving the amendments to the Comprehensive Plan and Zoning Code in substantial compliance with the applications attached as Exhibits "C" and "D", respectively by October 29, 2010 and December 1, 2010.

b. The City's failure to take final action in vacating and conveying real property in substantial compliance with Exhibits "G" by December 31, 2010.

c. The City's imposition of any material condition to an approval, conveyance or similar action that materially frustrates the ability to use and develop the University Campus in accordance with the uses and intensities described in paragraph 14 above.

d. The City's failure to take final action granting a development order of approval for the development of the Health Center within the Multi-Use Area on or before December 1, 2010.

(iv) City Compliance Obligation. The City's failure to comply with an obligation under this Agreement that does not involve a City Approval Obligation.

(b) **Notice.** Written Notice of Default shall be given in the manner provided for in paragraph 43 of this Agreement.

(c) **Event of Monetary Default.** If and when the City Manager or his designee determines pursuant to the terms of this Agreement that an Event of Monetary Default has occurred, the City Manager or his designee shall provide the University with written notice of the Event of Monetary Default, the University shall have fifteen (15) days after receipt of the written notice to cure such default. The University may cure the Event of Monetary Default by making full payment within fifteen days of the amount due and owing plus interest in the amount of 1 ½ percent per month (not to exceed the maximum allowed by law) of the past due amount from the date due until the date paid. If at the time the University makes such payment, the University takes the position that the City is in default as to an obligation(s) of this Agreement and the City disagrees, the University agrees to make the disputed payment, but may do so under protest, reserving all of its right to seek administrative or judicial relief with regard to the City's compliance with the obligations at issue. The payment under protest shall constitute a cure of the Event of Monetary Default. The payment under protest shall not serve to waive, abandon, compromise, or create an estoppel with respect to the merits of the potential dispute.

(d) **Acceleration.** If the University fails to cure an Event of Monetary Default within fifteen (15) days after the University receives written notice from the City, the City may, at its sole discretion, give Notice to the University in accordance with the provisions of paragraph 43 and all future payments under this Agreement shall thereby be accelerated and shall become immediately due and owing, together with interest thereon at the rate set forth in subparagraph (c) above.

(e) **Event of Default by City.** In the Event of Default by the City with regard to an approval obligation, the University shall give the City written notice of default. The City shall have fifteen (15) days after receipt of written notice of default, together with the required period of notice for City action on the required approval, to cure said Event of Default. If the City fails to cure the Event of Default, then the University's obligation to pay the mitigation provided for in this Agreement shall be suspended until the default is cured then the mitigation shall become due and owing.

(f) **Event of Non-Monetary Default by University.** In the Event of Default by the University with respect to its non-monetary obligations, the City shall give the University written notice of the Event of Default. The University shall have fifteen (15) days after receipt of written notice to cure the Event of Default. If the University is unable to cure the Event of Default within fifteen (15) days, the University shall submit a plan and a timeline for implementing the cure ("Cure Plan"). If the Cure Plan and timeline are

acceptable to the City, the University shall implement the Cure Plan according to its terms in a timely fashion.

(g) **Enforcement.** Either party may file an action for declaratory or injunctive relief in the Circuit Court of Miami-Dade County to enforce the terms of this Agreement. The parties acknowledge that any failure to comply with the non-monetary obligations of this Agreement may result in irreparable injury, not compensable by monetary damages, and accordingly, each party hereby consents to the entry of injunctive relief against it in the event of such failure; the enforcement provisions of this sub paragraph shall be in addition to any other remedies available at law or equity or both. In the event the City or the University is required to seek enforcement of the provisions of this Agreement, the prevailing party shall be entitled to recover from the other party all costs of such action, including reasonable attorney's fees.

45. Audited Financial Statements.

The University shall submit an annual report documenting the University's compliance with the requirements of this Agreement at least thirty (30) days prior to the anniversary of the Effective Date of the Agreement. The City Manager or his designee shall review the annual report submitted by the University and prepare a written report which shall be presented to the City Commission at a duly noticed public meeting for review and approval. After the annual review is approved by the Commission, the report shall be submitted to the Department of Community Affairs.

50. Force Majeure.

In the event that either party hereto is prevented from fully and timely performing any of its obligations hereunder due to acts of God, strikes and/or lock-outs, other industrial disturbances, acts of the public enemy, laws, rules and regulations of governmental authorities, wars or warlike action (whether actual, impending or expected, and whether de jure or de facto), arrest or other restraint of government (civil or military), blockades, insurrections, acts of terrorists or vandals, riots, epidemics, landslides, sinkholes, lightning, hurricanes, storms, floods, washouts, fire or other casualty, condemnation, earthquake, civil commotion, explosion, breakage or accident to equipment or machinery, any interruption of utilities, confiscation or seizure by any government or public authority, nuclear reaction or radiation, radioactive contamination, accident, repairs or other matter or condition beyond the reasonable control of either party (collectively called "Force Majeure", financial inability to perform hereby expressly excluded) such party shall be relieved of the duty to perform such obligation until such time as the Force Majeure has been alleviated; provided that the party relying upon the provisions of this paragraph shall give the other party written notice of such reliance and upon the removal of the Force Majeure, the obligation prevented from being fulfilled will be automatically reinstated without the necessity of any notice whatsoever.

51. No Third Party Beneficiaries.

Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement on any persons other than the parties hereto and their respective administrators, executors, other legal representatives, heirs, successors and permitted assigns. Nothing in this Agreement is intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision give any third person's legal standing or any right of subrogation or action over or against any party to this Agreement.

52. Relationship of the Parties.

The parties hereto acknowledge that they are separate and independent entities and nothing contained herein shall be deemed to create a joint venture, association, partnership, agency or employment relationship between the two. Neither party shall have the power to act in the name of, on behalf of, or incur obligations binding upon the other party. Neither party shall acquire an interest in the business or operations of the other by virtue of this Agreement. Furthermore, neither party endorses or warrants the activities of the other or their business, business practices, projects, products, services or other activities.

53. Time is of the Essence.

Time is of the essence for each and every provision of this Agreement.

54. Further Assurances.

The parties agree to execute and deliver from time to time such documents, and to perform all actions which may be necessary to effectively and completely carry out the intended effect of this Agreement including but not limited to defending the Agreement from legal or administrative challenge. On this point, the University agrees to cooperate with and fund the costs of defending any challenge to this Agreement by any third parties, including reasonable attorney's fees and costs incurred by the City for independent outside counsel if necessary.

55. Construction.

The language used in this Agreement will be deemed to be the language chosen by all of the parties to express their mutual intent, and no rule of strict construction shall be applied against any party. Any reference to any federal, state, local, or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise.

56. Approvals.

(a) The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the University of the necessity of complying with the law governing said permitting requirements, conditions, terms, or restrictions.
