## CITY OF CORAL GABLES HISTORIC LANDMARK PLAQUE PROGRAM

Congratulations, as the owner of a Coral Gables Historic Landmark, you may wish to install a plaque which was specifically designed to recognize the significance of your property. The Historic Landmark plaque will both grace the building and serve as a visual reminder of its landmark status.

Historic Landmark plaques can be purchased from local ceramic artist, Catherine Roban. Above is the image of the design of the plaque, not to scale. Please note that you must specify whether or not your property is listed *individually* or as a *contributing structure within an historic district*. If you have questions about the property's status, please feel free to contact our office at (305) 460-5093.

Ms. Roban can be reached at 7375 S.W. 99<sup>th</sup> Street, Miami, Florida 33156, or at (305) 665-1976.
